DISCLAIMERS AND AUTHORIZATION FOR RELEASE OF INFORMATION

I acknowledge and agree that nothing in this application shall be deemed to be a grant from SFK FRANCHISING, INC. ("SFK") of any right whatsoever to me with respect to a franchise of STEM For Kids programs.

I understand that SFK has the right to deny this application for any reason whatsoever, including without limitation:

- If SFK determines that the financial information provided by Applicant is not true and correct or does not fairly reflect the financial condition of the Applicant; or
- If SFK determines for whatever reason that the awarding of a franchise for the Program Center would not be in the best interest of the Applicant or SFK.

I agree that SFK will have no liability for any denial of this application.

I understand that any information I receive from SFK or from any employee, agent or franchisee of SFK or its affiliate is highly confidential. This application does not confer any rights relating to SFK's trademarks or service marks. Any proprietary or confidential information provided by SFK to me is solely for the purpose of my evaluation of a SFK franchise. I understand that any rights to use such proprietary or confidential information may be derived only pursuant to an executed franchise agreement, and that unauthorized disclosure, transfer or use, either direct or indirect, of such information by me would constitute an infringement of SFK's rights thereto and result in irreparable injury to SFK for which there is no adequate remedy at law. I agree that I will treat all confidential information as confidential and I will not disclose, publish, or divulge confidential information to any person, company, corporation or other entity, or use any confidential information, directly or indirectly, for my own benefit or the benefit of any person, company, corporation or other entity.

If and when SFK approves the Applicant, SFK will offer Applicant a franchise in the Territory by delivering its then current form of franchise agreement, together with all standard ancillary documents (including exhibits, riders, guarantees and other related documents) that it then customarily uses in granting a STEM For Kids franchise in the state in which the Territory is located. The franchise agreement and ancillary documents must be duly executed and returned by Applicant not later than sixty (60) days before the date the franchise is to open, with payment of the initial franchise fee required thereunder. If SFK does not receive, on a timely basis, the fully executed franchise agreement and ancillary documents and payment of the required initial franchise fee, when due, SFK may revoke its offer to grant a franchise.

I hereby attest to the accuracy of the financial statements and all information contained in this confidential STEM for Kids application. I authorize SFK Franchising Inc. or its agents to verify the data submitted, to obtain a consumer credit report, and to make such additional credit, background, or character confirmations it deems necessary ("Investigations"). I further allow SFK Franchising Inc. and its agents to contact past and present employers, schools, financial and law enforcement agencies, and any other person or source for the purpose of obtaining information about my finances, character, employment, skills, and criminal and credit history. I release all such sources, their agents and employees and any representative of SFK or its affiliate from any liability arising from this information.

I authorize all persons, schools, companies, financial and law enforcement agencies or other persons or agents to release information without restriction or qualification to SFK or its agents. I voluntarily waive all recourse and release them from liability for complying with this authorization. This authorization will apply to this as well as any future request for these Investigations by SFK or its agents.

I authorize that a photocopy or facsimile of this document may be accepted with the same authority as the original. I authorize SFK Franchising Inc. to release to prospective financing sources any information concerning me that may be requested by them.

SFK Franchising Inc. agrees to maintain in a confidential manner and restrict the use of any information contained or obtained in connection with this application for a STEM for Kids franchise.
